(Please identify the approximate GVWR (in pounds) in the space provided below)

- |   |  |                                       |   |
|---|--|---------------------------------------|---|
| <input type="checkbox"/> Passenger Cars | <input type="checkbox"/> Multipurpose Passenger Vehicles | <input type="checkbox"/> Trucks       | <input type="checkbox"/> Low-Speed Vehicles |
| GVWR      to                            | GVWR      to   | GVWR      to                          | GVWR      to                                |
| <input type="checkbox"/> Pole Trailers  | <input type="checkbox"/> Buses (other than school buses) | <input type="checkbox"/> School Buses | <input type="checkbox"/> Motorcycles        |
| GVWR      to                            | GVWR      to   | GVWR      to                          | GVWR      to                                |

☒ TrailersGVWR **500** to **20,000**

- ☐ Incomplete vehicles - means an assemblage consisting, at a minimum, of chassis (including the frame) structure, power train, steering system, suspension system, and braking system, in the state that those systems are to be part of the completed vehicle, but requires further manufacturing operations to become a complete vehicle. Also means and incomplete trailer GVWR      to

## What Type of Vehicle Manufacturer or Alterer is Your Company? (Check all that apply)

(Select the type of manufacturer or alterer that best describes your company. You may select more than one type.)

- ☒ Completed Vehicle Manufacturer - a manufacturer of vehicles that require no further manufacturing operations to perform their intended functions  
☐ Incomplete Vehicle Manufacturer - a manufacturer of vehicles, as described above  
☐ Intermediate Manufacturer - a manufacturer (other than the incomplete vehicle manufacturer or final stage manufacturer who performs manufacturing) operations on a vehicle manufactured in two or more stages  
☐ Final-Stage Manufacturer - a manufacturer who performs such manufacturing operations on an incomplete vehicle that it becomes a complete vehicle  
☐ Alterer - a person who alters by addition, substitution, or removal of components (other than readily attachable components), a certified vehicle before the first purchase of the vehicle other than for resale

### Instructions for Completing, Revising, and Submitting Your Information

49 CFR Part 566 requires that a manufacturer of motor vehicles and regulated motor vehicle equipment items submit to NHTSA not later than 30 days after manufacturing begins information about the company and the products it manufactures. This suggested form will assist a manufacturer to comply with Part 566. Please complete the form by typing or clearly printing. Each manufacturer who has submitted this information must keep it current, accurate, and complete by submitting revised information not later than 30 days after the relevant changes in its business occur.

Mail the completed form to:
